

BJÖRNHUFVUD GÄSTGÅRD

We welcome you to Björnhufvud Gästgård, a small-scale Bed & Breakfast with room for about 10 guests. We manage Björnhufvud Gästgård to be such a place we would have chosen for our own vacation and hence also would return to. Therefore, we focus not on luxury per se but the extraction of luxury in every-day-life, such as the character of the house and high quality service.

Here follows (approximate) hours to take into consideration:

Check-in from 2 pm

Check-out at 11 am

Breakfast between 8 and 10 am

Lunch between 1 and 3 pm

Afternoon tea/coffee in the afternoon

Dinner between in the evening

Please let us know if you wish a sandwich or other snacks/drinks. If you wish to eat lunch and/or dinner at the farm, please inform us so we can plan ahead. We do not have a fixed menu since we are dependent on what the local grocery offers for the day (inform us about allergies, diets etc). We focus on locally produced and organic raw material as far we can, the farm's products included.

Normally, we do not clean the rooms during your stay here but feel free to tell us if you want clean sheets, towels or if there is anything else we can assist you with.

We hope you will have a pleasant time here at the farm. Feel free to talk to us about anything you need, bearing in mind that high quality service is important to us. Enjoy your stay!
